PROFESSIONAL SUMMARY

Dedicated Biochemistry and Molecular Biology student at Shahjalal University of Science and Technology (SUST) with a proven track record in environmental research, web development, and academic excellence. Recipient of the prestigious DarkSky International Rising Star Award 2025 for outstanding contributions to light pollution advocacy. Combines strong scientific knowledge with practical full-stack web development skills to deliver impactful solutions.

EDUCATION

B.Sc. in Biochemistry and Molecular Biology *2025 – Present*
Shahjalal University of Science and Technology (SUST), Sylhet

Higher Secondary Certificate (HSC) *2025*
Government Science College, Dhaka
GPA: 5.00 / 5.00

Secondary School Certificate (SSC) *2023*
Monipur High School, Dhaka
GPA: 5.00 / 5.00

RESEARCH EXPERIENCE

Light Pollution Researcher — Falcon X Research Team *2024 – 2025*
Supervised by Dr. Farhadur Reza, Dept. of Urban and Regional Planning, Jahangirnagar University

- Collected artificial light intensity data using lux meters across shops, hospitals and key public locations in Dhaka City
- Analysed and benchmarked collected data against international lighting standards (IES, DarkSky International) to assess light pollution severity
- Developed evidence-based solutions and policy recommendations for Dhaka city planners to reduce light pollution
- Received DarkSky International Rising Star Award 2025 for outstanding advocacy and research contributions

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6+)
Backend	PHP, Laravel Framework
Database	MySQL
Tools	Git, GitHub, Vercel, VS Code
Other	Content Writing, Research & Data Analysis

PROJECTS

Light Pollution Research — Dhaka City *2024 – 2025*

Environmental Research | Falcon X Research Team

Field-based light pollution assessment using lux meters across Dhaka City. Data compared against international standards to evaluate urban light pollution and provide actionable solutions.

School Management Website *2024*

Web Development | PHP, Laravel, MySQL

Full-featured dynamic school management platform with student and teacher management, built using Laravel and MySQL. Source code available on GitHub.

Personal Portfolio Website

Web Development | HTML, CSS, JavaScript

Responsive personal portfolio featuring scroll animations, working contact form (Formspree), project detail pages, and live deployment on Vercel.

ACHIEVEMENTS & AWARDS

DarkSky International Rising Star Award *2025*

Recognized by DarkSky International for outstanding contributions to light pollution advocacy and research.

1st Runners Up — 5th BAFSD National Science Festival *2024*

Project display competition at BAF Shaheen College Dhaka.

Bangladesh Biology Olympiad — 2nd Runners Up (Regional) *2024*

Organized by BDBO (Bangladesh Biology Olympiad).

National Bangladesh Earth Olympiad — Participant *2023*

Organized by NEO (National Earth Olympiad).
